

European Commissioner for Transport Violeta Bulc, in cooperation with the Estonian Presidency of the Council of the European Union, Minister of Economic Affairs and Infrastructure of the Republic of Estonia, Kadri Simson, have the pleasure to announce two upcoming events in Tallinn, Estonia

21–22 September 2017 **Connecting Europe Conference**

The main focus of the Connecting Europe conference will be on the preparation of the next MFF, with a wider background focus on connectivity (cross-border, horizontal priorities, funding and financing).

08–10 November 2017 **Digital Transport Days**

The Digital Transport Days will be focused on digital transport, multimodal mobility and multimodal logistics.

More information will come shortly, but be sure to block your agendas today!
